Work is being done to obtain an EIN number for our HOA. The Board will seek legal assistance to ensure the EIN is set up properly. When this is finalized, we will be able to implement the use of Cheddar UP in the collection of dues for 2024.

The Architectural Control Committee (Committee) and other Board members discussed a request pending before the Committee about a structure and determined that further information was required about the structure itself. That information was deemed necessary in determining if the structure was within the Committee's jurisdiction on which to rule.
