

HOA BOARD MEETING  
REGARDING CONSOLIDATING TRASH PICKUP  
DECEMBER 17, 2020

ATTENDEES: Irene Anderson, Sid Gregory, Charlene Hovey, Leslie Levine,  
Kevin Doran, LaDonna Gravelle

Neighborhood meeting will take place on January 11 from 7-8 p.m. – Talkin’ Trash Town Hall

- Kevin will consolidate the information into a letter or flyer that will be mailed or hand-delivered to residents. (TBD) The letter will:
  - Reference the spreadsheet to ensure residents understand the research process,
  - Explain that this is not mandatory (residents can wait to switch companies such that they do not incur a fee), and
  - Reiterate that the purpose of consolidating trash companies is to help residents save money, to decrease wear and tear on the roads and for safety of the many children in area.
- Irene will get instructions from Waste Connections about how residents can get the HOA discount and will get a contract for the HOA to sign.
- Irene and Kevin will update the spreadsheet with information from each of the trash companies. Leslie will post it to the Meetings page on the website and send an email to a distribution list.
  - Add the cost for each company by month, quarter, and year
  - Number of homes currently using the service.

The sidewalk on Orchard was not cleared after the snowstorm on December 12. Leslie reached out to Mike Nelson from the City of Centennial. The city will only plow the sidewalk if there is at least 4 inches of snow. The sidewalk adjacent to Marvella was plowed. Charlene has contact information for the Marvella HOA and will share with Leslie so that our neighborhoods can work together to ensure the path is cleared from the park to Quebec.
