

Trash and Recycling Contract

In January 2021, the HOA signed a contract with Waste Connections to consolidate trash and recycling services. This is a voluntary opportunity for Greenwood South residents.

- No delivery fee for one trash and one recycle bin for new customers.
- Additional bins are \$65 each.
- 64 and 96-gallon bins are available.
- If using your own trash and recycle bins, request Waste Connections stickers from Customer Service. Bins must be standard 64- or 96-gallon bins.
- Service for additional bins is \$4 per month per bin.
- Bundles of cardboard boxes or branches and extra trash bags will incur a \$3 charge per extra bundle/bag.
- Residents can opt in at any time.
- If you plan to switch your service later, please call Waste Connections Customer Service at 303-288-2100 and mention Greenwood South HOA contract.

More information about the contract with Waste Connections is available [here](#). Please contact greenwoodsouthhoa2019@gmail.com if you have any questions.
