Recent HOA Board Meeting highlights:

Volunteer needs:

- We still need a Block Rep for Area C – this involves dropping off newsletters, collecting dues, and attending board meetings. **You do not need to live in that area to help out!** Please contact us if you would like to serve as our next Block Rep.

Thank you!

- We had a great outing for apple gleaning this year with Grow Local Colorado. We gleaned almost 1,000 pounds of apples for eating and to make cider and apple sauce. Many more apples headed to composting. Thanks so much for folks helping out!

- Martin and Kim Plank have a Little Library (NE corner of S. Newport and E. Lake Circle) with an assortment of adult and children's books. Happy reading!

Be Bobcat Aware:

Two pretty (and dangerous) bobcats have been spotted in the neighborhood (photo from Tiffany T.). Keep an eye out for your furry friends and kiddos! Experts say: if letting a pet outside, make a little noise to let the big cats know you are there. If out walking, keep your pet close or pick them up. Often, big cats will retreat during a confrontation.

CenCON Update:

Steven Levine updated the board on Centennial YMCA Center of Generations at

the Streets of SouthGlenn which is a partnership between the City of Centennial and the YMCA of Metro Denver offering opportunities for youth and older adults in a multi-gen space. Learn more: denverymca.org/centennial-center-generations.
